Anticipate End Date (if known):

By signing below the supervisor and supervisee agree to the following:

- Prior to July 1, 2022, Apprentice Level Providers must complete 1 hour of supervision for every 10 hours of services. Associate Level Practitioners must complete 1 hour of supervision for every 20 hours of service.
- On or after July 1, 2022, the supervisee will be provided with at least 1 hour of face-to-face, direct, individual supervision by the primary supervisor each week OR if the supervisee provides

less than 7 hours of direct clinical services a week, then a minimum of 1 hour of supervision must be provided once every two weeks.

- The supervisor and supervisee must comply with additional supervision requirements as indicated by the appropriate licensing board; Board of Psychology (BOP) or Board of Behavioral Sciences (BBS).
- The supervisor(s) will maintain a clear and accurate record of supervisee supervision.
- The primary supervisor must be a CASOMB-certified Independent level provider.
- The primary supervisor shall be employed by or a contractor for the same work setting as the supervisee.
- The primary supervisor shall be responsible for ensuring that the supervisee is in compliance at all times with CASOMB's certification requirements, and applicable code of ethics.
- The primary supervisor shall monitor the welfare of the supervisee's assigned clients
- The primary supervisor shall monitor the performance and professional development of the supervisee and provide periodic assessments and feedback to the supervisee as to whether he or she meets performance expectations.
- The primary supervisor shall complete a minimum of 6 hours of supervision coursework every 2 years.
- The primary supervisor shall be in compliance at all times with the provisions of the BBS Licensing Laws, Psychology Licensing Law or the Medical Practice Act, whichever might apply, and the regulations adopted pursuant to these laws.
